Mary's Mail Bag

Text by
Mary Carey

SEALED WITH A NASTY KISS!

Yippie! I'm back! I'm back! I'm back! Yep, it's your very own **SWANK** co-publisher Mary Carey reporting for duty guys and gals, and man am I amped up this month! Ron Jeremy and I have been involved in meetings after meetings for weeks now about some really major **SWANK** projects in the works—and coordinating all the writers, editors, photographers, art directors and everyone has been insane! But it's my job and I love it, so when you see what we have in store for you in the upcoming editions of **SWANK** you'll see what I mean! I don't know what is going to explode first, your head or your cock! But don't fret, I still found the time to go through all your wonderful mail—although there are about 35 giant boxes of it piling up in my office and they are carrying more in as we speak! I love it! I love reading about your questions, your problems, your suggestions and your ideas—and even seeing all those great pictures you send in! So, no matter how busy I am keep them coming, because eventually I will get to them all, I promise! So here goes with a handful from this month! Enjoy!

Make The Call!

Recently me and my girlfriend have gotten into some kinky-type sex. To be specific, she has been fucking me up the butt with a strap-on dildo. It was her idea, the crazy bitch, but after a few times I began to like it. Anyway, does this make me gay? I still like to fuck her pussy and lick her cunt, but I also like getting ass-fucked. Please let me know if this is weird.

Jack G.
Washington, DC

MARY: Jack, Jack, Jack. The old "Am I gay" question again. When are you guys going to get over this kind of silly homophobic stuff and try to relate to more of a "if it feels good do it!" way of thinking? Did you ever stop to think why exactly a lot of girls like to get ass-banged by a good hard cock? Why? Because it feels good! So why shouldn't it feel good in your ass as well? Ass-fucking for straight guys has gotten a bad rap because gay men fuck other gay men's asses. But gay men also kiss other gay men, so by kissing your girlfriend, does that make you gay as well? Forget this gay stuff and just go for it Jack, and even if it turned out you were a little light in the loafers, who cares? Live and let live, and live and let fuck I always say!

Do Tell!

I love sex, I love **SWANK**, and I love you! But I have one question. I read a lot about you on the internet, especially on this one porno industry gossip site, www.lukeisback.com. First off, is that really you that he is interviewing all the time, and second, do you really do all those crazy things off-camera that you say you do? And if you do, man girl, do you know how to party!

Milton Y.
Rosemond, CA

MARY: Wow, Milt! That's a lot of love, there! Thanks, and here's some kisses right back at you! As for www.lukeisback.com, yes indeed, that is me that is on the site quite often, with Luke asking the questions and me answering them. And yes again, everything I say out there is the truth, the full truth, and nothing but the truth! I party like a porn star, what can I say! Sex, thugs, and rock and roll, 24/7 baby! And I tell Luke all. Luke Ford, the legendary online XXX industry porno reporter is a good pal of mine for many years, and he gives me good press. So when he calls, I blab! For those of you who haven't read about my antics on his site I won't spill the beans here, but do check out the site, it is updated daily, and then write in and tell me what you think dudes!

Where You At?

Simple question. What is your current website?

Ned W.
Miami, FL

MARY: Well I'm glad you asked, so here's a simple answer, www.marycarey.com.

POST CARD

MARY: Sounds like you are on a roll, girlfriend! Usually I tell people that moderation is key in all things—except sex! But in your case, you may need to slow down a bit, Janice. Porn stars like me fuck a lot for a living, and yes, off-screen we bang a lot too because that is part of our overall lifestyle. But as a college student you need to keep things in perspective, and going to class and getting good grades has to remain a top priority—no matter how much of a horny little bitch you have turned into. You really need to slow down and give yourself some rules—even if they are as strict as only having sex on weekends, or only fucking four guys per week tops, etc. It sounds to me like your boyfriend's hot cock has set you off on an orgasm rampage—and believe you me, I have been on a few myself!—and you don't know how to control the urges your body is being overcome with. Step back, take a deep breath, close your

legs, and make some kind of a plan, to get lots of cock, but lots of A's as well. Write back soon and let us know how it is going. Send pictures as well if you can. Hee! Hee!

Toilet Twat!

I have always been so curious about having sex in a public bathroom. I have always been excited about the idea of all those people pulling down their pants and taking out their genitals. Because of my sensitive job position it is difficult for me to explore this fantasy further, although I am very tempted. Any thoughts?

**Lawrence C.
Boise, ID**

MARY: I don't know, Lawrence. I know that quick anonymous bathroom sex is quite common in our society, and a lot of men and women take part in it, but I have never understood the thrill of it. To me bathrooms, especially public ones, are full of nasty, dirty, disease riddled clothing, papers, fixtures, and lots of germs. I can barely understand why anyone would use one for any reason—unless in case of any emergency—let alone having sex. I think I will take a pass on this one my friend, there are lots of places you can sex outside the home that are a lot cleaner and safer than a public toilet. Plus you know, you never know who you might meet in one, and what "misunderstandings" might occur. Keep it in your pants dude the next time you take a leak, but for some strange reason, I just think you are going to do what you are going to do regardless of what I suggest—so good luck!

Tap That Ass!

You hot little whore. Nice ass, nice tits, nice cunt. I'd sure like to get me a piece of that!

**George H.
Mobile, AL**

MARY: Oh, George, you say the sweetest things! And as much as I would like to fuck all of my fans—all 999 kazillion of them, I think it would be too much, even for a horndog such as myself. I get tens of thousands of letters like yours every month, George, and as much as I am down to try anything, there are just so many hours in a day. But, thanks for the offer! □

Cock Crazy!

I have a serious problem, but I don't know who to turn to, and since you are an international sexual superstar, perhaps you can tell me what to do. I am a 22-year-old college student at a large state university in the midwest. I was a pretty normal girl, I think, until recently, when I started dating this guy in a fraternity, he started fucking me real good, and now I have gone cock crazy! All I can think about now is sex, sex, and more sex! And I am screwing everything in sight, from him, his frat brothers, a few of my professors, and even the school janitor! I don't know what has happened to me, but my grades are going down the tubes and my pussy is getting a fucking workout! What should I do?

Porno Jim spent a lot of time thinking about what he liked and didn't like about the porn he'd seen over the years. He had ideas about what he would do differently. He described his vision as "alt-porn", based on his choice of talent, setting and a focus on the woman's orgasms.

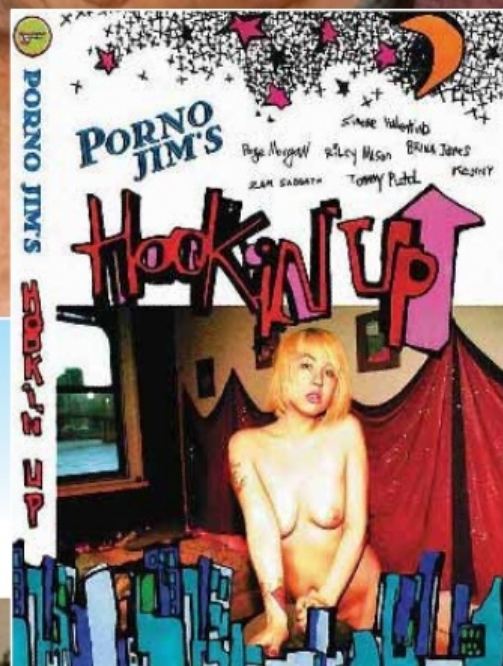

Over many months he put all the pieces of his ambitious first film into place, and when it finally came together and it was time to shoot the whole thing in one lubed-up weekend, **SWANK** was there to take a sneak peek behind the scenes.

"I heard that making a porn movie here in New York would be difficult" he told us while waiting for his crew to set up lights and cameras. "In the beginning, I'd have actors booked and ready to go and they'd get a better offer; or they didn't want to leave L.A. to work in New York."

Casting was one of his main considerations in creating his dream porn movie. From the beginning, he knew he would be hiring real porn stars — not friends — because he needed "sex professionals." He likened them to athletes — very good at a very physical job

that takes confidence and stamina. "I wanted the porn stars to have a 'New York' look. They had to be experienced but not look like your typical porn star. They had to have attitude." He wanted his cast to have cool hair, tattoos, and natural breasts. He had a list of performers in mind and contacted them. He already knew Tommy Pistol and Zak Sabbath both locals. Simone Valentino, another NYC resi-

23219A, 23219B

dent, was the first person he cast.

"The porn scene in New York isn't sustaining itself, but I'm hoping the advantages of shooting here will outweigh the disadvantages." One disadvantage was having to fly in talent from L.A. One advantage?

Well, it's New York!

Jim worked to capture a New York City sensibility by shooting entirely on location. The film is set at a hip Brooklyn loft party where the characters "meet, flirt and hook up." The sex scenes were shot at various friends' apartments — not bland hotel rooms or L.A. McMansions.

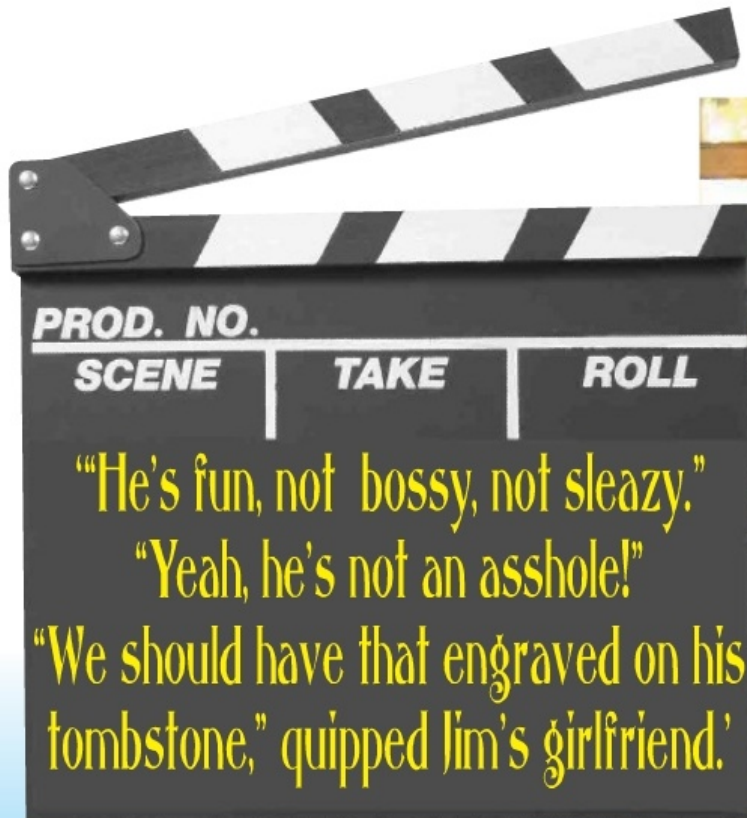

The party, described by the porn stars as

"Porno Jim is not an asshole. Just ask anyone who worked with him on 'Hookin' Up', his directorial debut."

"the best non-sex party scene in porn history," is more of a scenario than a plot. And what a great party! Loud music, horny, scantily-clad guests, live music performances, and a fire-breathing sword swallower! This may be one porn movie where you won't want to fast-forward to the next sex scene.

Buxom blond Page Morgan was familiar with Jim through friends and flew in from L.A. to perform in *Hookin' Up*. At 19, she's already been working in porn for almost one year: She's been featured in *Rebel Rousers*, *King Cobra* (both from Vivid), *Skin Kandy* (Teravision) and many more, and she believes the only difference in working for the bigger companies is that they have more money to

spend. Page likes the cool, creative people drawn to the porn business.

"People are doing new stuff, like Jim. I hate the typical porno that regular people can't relate to. It's refreshing to see 'real people' in porn." She cited Joanna Angel, another NYC porn mastermind and the creative force behind *Burning Angel*, as someone she admires.

Petite, raven-haired Riley Mason, who you may have seen in *New Wave Hookers*, *Blacklight Beauty*, *Girls Lie* or any of the more than 40 films she's got under her belt, is used to travelling a lot for porn. "I prefer to stay in North Carolina near my family," she explained. Riley heard about Jim's movie through Page, and she really liked that "it's not all blonde, fake tits." She said that Page's OK was a factor in deciding to do this film, and also the fact that she'd be performing with Tommy Pistol, who she'd done a scene with in *Burning Angel's Cum on My Tattoo 2*.

Tommy, yet another atypical porn star, was popular both on the set and at the party, where he was recognized while waiting in line for the bathroom. "Weren't you in *The Re-Penetrator*?" asked the fire-breathing sword swallower, Tyler Fyre. "My girlfriend and I were just watching that this afternoon."

Simone Valentino, 21, is a gorgeous, intelligent babe who has worked both on camera and behind the scenes on many projects with veteran feminist pornographer Candida Royalle, also based in NYC. She's been writing and film editing and trying to start a blog with information for porn performers new to the business. "Porn in NYC is a really tight-knit community, and I wanted to support Jim and his film. I love that it has no ridiculous plot, no bad motel rooms — it's a real New York story."

Besides his being "not an asshole," the performers liked working with Jim because of his easy-going style of directing. "Jim only suggested one position during that whole scene," said Riley after her three-way with Page and Tommy. "He just told us to go with it, where others directors

have even told us what to say during the scene."

While the crew (all with impressive credentials and at least two NYU film school grads) set up for the girl-girl scene between Riley and Simone, Jim talked with the girls about the scene within the context of the party. "You're not here to spend six hours getting to know each other; you're here to do it!" He wanted to include details that would feel authentic, like the girls stopping to make out in the stairwell on the way to the bedroom, or Simone tossing stuffed animals off the bed before getting to the action.

Jim had an idea about a way to switch from one position to another and enlisted his girlfriend (and set designer) to help demonstrate. "See what she's doing with her hands? She's opening up my legs for the camera." He also asked Riley to be on top for more of the scene, "because I like how your breasts look when you're on top, and when you see the pictures you'll think so too!"

He gave the girls minimal direction during the scene, mainly encouraging them to direct each other so they could cum and get back to the party. Riley and Simone each said that the other was doing just fine, and both had real, totally erotic climaxes.

I've been on porn sets where the all the fingering and fucking and moaning seemed labored and fake, but even the cameramen agreed that the actors seemed really into each other and the scenes they were shooting were very sexy! The overall feel of the film achieved Jim's goal of a gritty New York party with lots of cool-looking people hookin' up.

So what's in the works for Pomo Jim? "I'd like to make another film about 'cougars,' you know, women in their 30's & 40's who go after younger guys." With Jim at the helm, you can bet it will be unlike any other porno about older chicks with younger dudes you've ever seen.

**Ten Questions SWANK Fans
Want Me To Answer—NOW**

XXX Reality

Text By
Ron
Jeremy

Hello, hello, hello!!! Ron J here back at my house, at my old computer keyboard—it's a beautiful sunny day in the heart of Hollywood, I am sitting in my living room looking at the window at the city below, and doing what else? Writing this column of course! Yes, and for those of you who must know, I am naked—okay, block that out of your mind if you must! But I am here doing my monthly column for **SWANK** from Los Angeles this time around, where I do stop in from time-to-time to do my laundry and open my mail. So how are you all doing this month? Digging the kind of XXX that my pal Mary Carey and I are churning out each month? By the great feedback and especially the soaring rate of subscriptions we are getting these days, I would say, fuck yes! So thanks guys and gals, you make all the hard work we are doing all that much worthwhile. So in honor of that this month I am not going to address my usual topic or two, but rather answer your questions. What questions you ask? Well, I will tell you. Wherever I go and travel, readers stop me in stores, planes, train stations, wherever, and ask me all kinds of questions about me, my career and porn. The queries run the gamut, but some of the same ones tend to come up all the time, and I seldom have the time to give any kind of real answer at that moment. So, this month I thought it would be fun to list the top ten questions my fans all over the world ask me, and for the first time I am going to answer them! So here goes, straight from from the whore's mouth!

Ron, you have fucked so many girls, are you sick of sex already?

No! Next question! Just kidding! But the answer is no. By some counts I have banged some 5,000 chicks on and off-camera combined over the decades, give or take one or two, but who's cunting? Does that mean I am jaded? Nah! I am still like most guys, after getting off with a hot chick, the next day, or the next hour, I am already looking for another one! I don't think my libido is different than most men my age, I think I just have a hell of a lot more opportunities to get laid!

Ron, is it true that you can suck your own dick?

No—not anymore, anyway! Yes, about a zillion years ago I did a couple of on-camera shoots where I was thin enough, and my cock was long enough, that I was able to go down on myself. These days while my cock is just as large, my stomach has gotten "a bit" larger—so no more auto-fellatio for me! I just did it as a hoot, and don't do it off-camera, as sucking cock, mine or anyone else's is not my thing, not that there's anything wrong with it!

Ron, do you have a twin brother?

Nope! I don't know how this rumor got started, but it has to do with my hectic work schedule of flying all over the country and world at a day's notice to make appearances, do autograph signings, appear in porn vid scenes etc. People sometimes say it looks like I am in two places at once—but actually I am just a near-maniac worker, and almost never turn down any type of job!

Ron, you have had your cock sucked by so many girls, who is the best blowjob you have ever had in porn?

Yes it is true, my dick has been in so many mouths I should probably pour mouthwash over it each morning—haha! Seriously though, I guess I should have started some kind of oral sex rating system years back, but all I did was enjoy all the sucking and mouth-cumming. There have been so many girls and so much good head given, I almost hate to try to rate any one over another. But the biggest standout in that X-rated department that cums to mind would be the now retired porn star from the “golden age of porn” who used the stage name Little Oral Annie. It was a long time ago now, but I remember her sweet talented lips, mouth and tongue like it was yesterday, and I am getting a boner now just thinking about her going down on me! I can’t really describe how she would do it, so just go get some of her movies from back then, and you’ll see what I mean!

Ron, do girls really like loads blown into their pussies, or is that just all porno movie bullshit when they keep saying, “Cum inside me! Cum inside me!”

From the scores of porn and non-porn girls—remember I hang out with not just porners, but gals in the swinger community, strippers, rock star groupies etc.—who I have spoken to about this, most say it’s not so much that they can really, really feel your spooge shooting up them, but that they can see and feel you shake and quake like a motherfucker when you unload, and knowing that turns them on and makes them happy. I don’t know, it sure though makes ME happy when I can orgasm inside a nice hot twat, I will tell you that!

Ron, with all the sex you have ever had, how come you have never let a guy fuck you up the ass?

I only laugh when someone asks me this silly question, so why should I do any different here? Hahahahahahaha!

Ron, since you have been in the middle of the porn world for so long and so many generations of porn stars, how would you say the adult video industry has changed over the years?

The XXX biz has changed so much over the years it would take several issues to explain it all, but one major way it has evolved is that incredible number of new girls coming into porn on a daily basis all over North America. Back in the day there were only a small number of chicks willing to do X-rated stuff, and many were not that good-looking. The community of producers, directors and performers was so small, everyone really knew everyone else, it was like a family. Now there are zillions of new just-turned-18 porn gals getting into adult movies and within a week being called “porn stars.” And while this has been great for porn fans wanting a vast variety of new girls all the time, for me it is a little sad, because the whole porn community has gotten so big and to an extent impersonal. Ah well, but with all those new pretty faces all the time—I’ll get over it!

**'A guy like me
becoming a
XXX STAR
has to be the
biggest carnally
cosmic fluke
of all time!'**

Ron, is Ron Jeremy your real original name?

No, but it's close! Show biz types, not just those in porn almost always change their names for a variety of reason, including safety and privacy issues. When someone says to be the reason porn star use stage names is because they are ashamed of what they do I always like to respond, you think Madonna's real name is Madonna? That Cher's really name is Cher? Well, the same goes for porn gals, Betty Blowjob ain't her real name either, so get over it!

Ron, is there any one particular food you eat that helps you be better at sex?

I am still not sure yet, so I just keep eating everything in sight so I don't miss anything—just kidding! Of course there are all those mythical foods that are supposed to make you hard and keep you horny, everything from oysters to powdered rhino horns, but in reality I doubt any of it. Although I am hardly a role model in this regard, I would just say that keeping in good physical shape generally, and eating a good balanced diet gives you the best edge in terms of food if you want to be good in bed. Me, I stay mostly on the seafood diet. I see food, then I eat it!

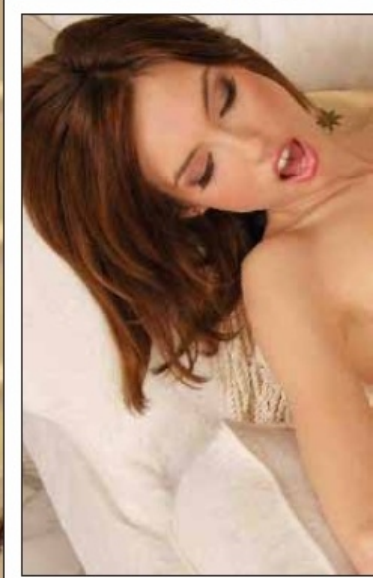

Ron, how can I become a porn star like you!

And this, of course, is probably the most asked question of all time by guys. So here goes. First off, obviously a guy like me becoming a XXX star has to be the biggest carnally cosmic fluke of all time, so forget about becoming "another Ron Jeremy," it won't happen, and you probably don't want it to happen! Ha! As for becoming a porn stud in your own right, well, it too is a long shot. It is not that porn producers and directors can't always use another good sturdy X-woodsman, it's just that the reality is that most males simply can't perform under porno production conditions. Yes, yes, I am sure you are rock hard for hours at a time banging your girlfriend from one side of the room to the other day-after-day, but that has nothing to do with being on the floor in a hot uncomfortable room surrounded by dozens of people, with hot lights burning in your face, a cameraman yelling at you, and a girl porn partner who is on her period and acting like it—and then getting it up and keeping it up on cue. And then shooting your sperm at the drop of a hat when the director tells you to? Forget about it! Keep your day jobs my friends, fulfilling that particular sexual fantasy of becoming a porno star, just really isn't in the cards—for nearly anyone!

Okay, well that's it! The top ten questions put to me as I travel around the world, and I am happy to finally answer them all at once for all my fans this time around! Now don't let this stop any of you from coming up to me when I appear in public and chatting about whatever is on your dirty little mind—shooting the shit with you guys is always a blast. But after this month's column I hope I can expect some new questions—please! Just joking around! You know I love you guys! So that's it for this month, see in about 30 more days to give it another shot! Take care! ☐

'Tricks of the Laid'

Quick, what do Tame hair conditioner, Pina Colada, lemonade, mashed potatoes and cocoa and Baby Ruth bars all have in common?

Although I suspect that you are trying think along a great deal cleaner (sociologically acceptable) lines than the answer(s) that I will be providing, please remember that this article is appearing in *SWANK* as part of my absolutely unexpurgated descent back into the early days of XXX—"When the skies were blue and the films were bluer"—which is an ad line that I've been cultivating to use for a project I've been planning called "Underground."

And it was during those underground days in the 1970s that the items leading off this column were among the stalwart stand-ins (when needed) for various bodily functions including cum shots, and other bodily functions.

I'm very proud to say that I never needed to fall back on anything but my own steaming semen to create a money shot as my orgasms

he was holding his tummy, uttering sounds akin to those of a whale with a toothache. Perfectly blending being annoyed with being amused, I castigated him with the statement: "You've drunken the cum shots." But he was beyond caring at this point, as the concentrated sugar rush was taking him to the top of Rock Candy Mountain.

Now in the case of incidences wherein I was going to be golden showered upon, it was invariably lemonade that came pouring down upon me. For reasons that I really couldn't fathom, an adult actress could present her sexual center like the Grand Canyon, but when pressured to piss she couldn't squeeze out a drop of the stuff. I was fortunate to avoid most of the major water sports films of the day, but finally did wind up under a female fountain in "Ring of Desire" (1981) wherein Jennifer West was

were as easily forth coming as my lack of modesty. But other fellows weren't as popable on cue as I was, and when an impatient director finally could wait no longer, the actress' mouth was loaded up with Tame or Pina Colada, and then the ejacul-action games began. Of course, concern for the lady's taste buds in the matter was never considered, as this was the hardcore filmmaking business of the time, wherein all involved were expected to make on-the spot creative/artistic sacrifices—so that the project would be completed.

However, there was a moment when I went off to fetch the faithful bottle of Pina Colada for a fellow who was having a problem, only to find another actor sitting in the corner of the kitchen radiating a pale shade of green. Next to him was an almost completely empty bottle of Pina Colada mix, and

supposed to rain down upon me. By this time in my career (dating back to 1972), I had already begun to realize just how ridiculous certain aspects of my world were, so as the stream of lemonade began to fall upon me, I opened my mouth, captured enough of it to gargle, and then I proceeded to spray it back up toward Ms. West's wanton wellspring. This did not please the director, but apparently the image looked so good, that the scene was not cut out of the final product. By the way, lemonade tends to granulate very quickly when mixed with the moisture of the eyeball, so for a few moments my eyelids were literally glued shut.

(Considerable imagery from the setting up for that scene should be appearing on these pages, but you'll notice there is a nary a moist moment to be seen, for reasons that most likely have something to do with the

THOSE WERE THE LAYS

By William
Margold

fact that the set photographer, a massively talented fellow named Kenji, didn't want to risk getting his equipment wet, no matter what liquid was being expelled.)

Fortunately, I escaped other less desirable opportunities, but I witnessed many moments when some mashed potatoes and cocoa mix were whipped up to smear on another actor's chest. However it was when I watched a sequence in which a lusty lady seemingly proceeded to finish her business on a guy, and the camera stayed on the stuff long enough that the extruded object began to melt and some blanched peanuts began to roll off his chest, that I suspected that there was more to the stinking scene that met my amused eye. And indeed, the fellow who was being finished upon, confided to me that a couple of Baby Ruth bars had been brought into play at the proper, or perhaps I should say, improper, moment.

The July 2006 passing on of an adult industry character actor named Eustis P. Snickerton, whom I met during the first of many re-workings (and re-titlings) of 1976's "The Lollipop Girls in Hard Candy in 3-D" will provide the memories and materials for the balance of this installment of "Those Were The Lays" as the "tweaking and re-tweaking" of that production splayed themselves out over almost half a decade, result-

ing in my starting out in a gladiator costume, and then winding up as rather large chicken, complete with sunglasses and vocal intonations resembling those of Bre'r Bear.

It was 1976. Previously utilized in small non-sexually explicit parts by director Norm De Plume in "The Playmates in Deep-Vision 3-D" (1973) and "Wildcat Women (also known as "Black Lolita") in 1975, wherein De Plume worked under the name of Pierre La Farce, I was approached by the happy guy (now back to working under the De Plume moniker) to appear in a series of sequences that were, as he put it "Going to help me finish a film that I began up in San Francisco." He went on to explain that during the making of his tale in which some lollipops are accidentally dosed with a remarkably potent aphrodisiac, and they become the igniters for a series of hardcore scenes in which such 1970's adult film stars as John C. Holmes and Joey Silvera perform, that a couple of the very mean-spirited performers confiscated some of the production equipment in an attempt to extort more money from him. Reluctantly he paid off the miserable offenders, and then returned to Los Angeles, determined to finish the film minus their involvement. Which meant that he had a lot more holes in his Swiss cheese storyline than he planned. However, he did have some footage of the afore-mentioned Snickerton in a pink bunny costume (don't ask), and he had a plan. Casting me and a crusty cohort named Lee J. O'Donnell (whom I had first met during my adventure in Texas in 1973 during the making of "The California Connection" which was also known as "The Adventures of Peter Galore"), as the bunny's buddies, De Plume—who worshipped the 3-D process, and spent considerable time devising every possible reason to show off his cinematic trickery as various objects (including ejaculations) were supposed to leap from the screen and land right in the audience's lap—concocted a wild hare of a plot that time warped all three of us to some undetermined time, wherein dressed as gladiators, we were on a quest for something having to do with the wondrous effects of consuming cold Yak soup, which was apparently the primary ingredient of the aphrodisiac into which the lollipops tumble.

So there we were, on a windy January day, stumbling out of the Pacific Ocean and trudging up a very steep hill on a relatively barren portion of the Ventura, California coastline, and of course, since gladiators were not known to wear glasses, I was shuffling along in a blur. And while I was blind to what was going on around me, apparently I'm told that a Highway Patrol officer pulled up and confronted De Plume as to just what exactly he was up to, and that while Norm little white lied his way through a scenario about shooting a student film, he never turned off his camera. Later on, in close ups and voiceovers, various important lines of dialogue were captured, and we were well on our way to completing the project. Or so I thought.

In an alley just off Santa Monica Blvd. and Gower Ave. in Hollywood, Snickerton, inexplicably back in his bunny costume, discovers

the wonders of trampolining, and propels himself over a wall, while O'Donnell and I look on in dismay. Realizing that perhaps it would be wise to shed our gladiator outfits, Lee J. donned a haphazardly tossed together bug outfit, while I wound up flustering about as an enormous chicken. And off we went on a journey through the lives of enormous amount of zany characters, in search of our bouncing buddy, while De Plume continued to patchwork a quilt of amusing confrontations spanning the next five years. And in an attempt to capitalize on the various fads of the time—"The Lollipop Girls" would also become known as "M 3-D: The Movie" and "Scoring!"

Relying on my casting services as manager of Reb: Sunset International in Hollywood, De Plume constantly implored me for new bodies that he could bring into play as pawns for his 3-D machinations, and invariably I produced a new nubile beauty or two or three for his picture making pleasure. Since all of the hardcore activity necessary to satisfy that market been had previously been filmed during De Plume's San Francisco foray, my talent was only asked, when the scene called for it, to bare their bodies without having to ball about in front of the camera. And I also was able to reach out to friends and associates outside of the XXX world, who came aboard just for the sake of getting to be in a movie, although, as previously stated, there was a good chance that the film title that they worked in would most likely be re-titled at least once, if not twice, before finally returning to its original name.

Throughout that period, the chicken outfit became sort of a second skin, although along the way many of my feathers fell out and the waistband of the panty hose that was attached to my web feet was stretched and worn out to the point that I was always in the process of trying to keep them on, which considering that my hands were feather-covered claws, was as awkward as it was uncomfortable.

And while I never quite figured out what I was doing as I was prat-falling and punch-lining my way through scene after scene after scene—I did an awful lot of nonsensical things including riding a bicycle built for two (with Lee J) and even singing!

In fact, my protracted performance extended throughout a period of time in my carnal cinema career during which I was carving out rather an impressive body of work (including working for De Plume again as Harry Bauls in "The Disco Dolls in Hot Skin in 3-D") that would firmly establish my masturbatory mark in hardcore history.

Indeed, "Those Were" some of the days on the way to "The Lays."

BUZZ CUTS AXIS Electric Shavers

First it was the Cuisinart. Then it was the cell phone and even the washer and dryer. So really it was only a matter of time when bold color and cool technology merged inside the \$9.3 billion/year men's grooming category. Now there's a shaver so good looking you want it front and center on your bathroom counter (and yes, it gives a great shave too).

AXIS Shavers has made it its mission to revolutionize the way guys in this century think about electric shaving. For the past several decades, there hasn't really been much to think about. Many of us remember "dear old dad" walking around the house making a racket using his boring old electric shaver – right before he splashed on a lit-

tle Aqua Velva (yawn).

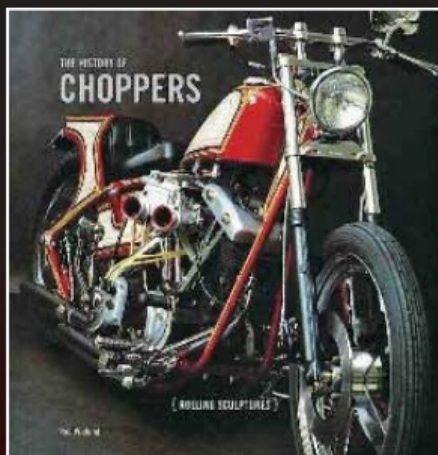

With a mantra of "We're Not Your Father's Shaver," AXIS offers a spectrum of cool functions and bold colors. The exclusive new line of 15 premium precision foil and rotary shavers are aimed at a new generation of users who like to mix style with functionality with an exclusive shaving technology that ensures facial contouring and a super smooth shave. Now's your chance to look better and look cool while doing it.

The AXIS line is sold exclusively in fine department stores like NY-based Fortunoff and specialty retailers like The Sharper Image and Hammacher Schlemmer.

IT'S A CHOPPER, BABY.

The History of Choppers: Rolling Sculptures

The History of Choppers explores the past, present and future of how chopper riders and builders are pushing this metallic self-expression into the realm of art. From the sleek lines of a custom ride to the savage beauty of a rat bike scrambled together from spare parts, every chopper represents something unique about its owner and is the ultimate statement of who the rider is. This book tells the stories of the people behind the paint and pipes that make their choppers unique.

The History of Choppers covers early bike makers, evolution from back alley machines to rich urban versions, Hollywood's fascination with choppers, myth and reality behind biker symbolism, the clash between choppers and manufacturers, and a glossary of biker lingo.

Available from Gibbs Smith. \$24.95 150 color photos and 50 black and white photos.

FROM DIRT TO DRIVEWAY Suzuki DR-Z400S

The DR-Z400S looks like an off-road machine, and it is — with all the unmatched performance capabilities you'd expect from a Suzuki. But look a little more carefully and you'll see you get a bonus: it's 100-percent street legal!

This bike has exceptional off-road performance and that should come as no surprise. After all, it uses the same advanced suspension as the renowned DR-Z400E. It also has a lightweight, compact design that helps it offer crisp handling everywhere from tight, technical trails to wide-open fire roads.

Off-road or on the street, the DR-Z400S provides strong torque across the powerband and amazing throttle response. And it features remarkably smooth performance, complemented by conveniences such as electric starting and a compact, easy-to-read instrument cluster.

This is a cool bike, that's easy to ride and looks damn cool. For more info log on to: www.suzuki.com

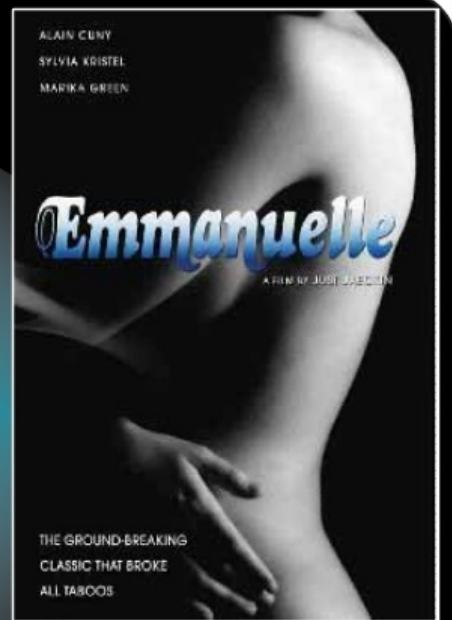

RETURN OF A CLASSIC

Emmanuelle: Special Edition

Lionsgate has reissued the French cinema's erotic masterpiece *Emmanuelle* in a special DVD edition. Based on the controversial book by Emmanuelle Arsan, *Emmanuelle* remains a groundbreaking picture that caused a cinematic revolution when it was first released - the first openly erotic film intended for a mainstream audience. A classic film for every generation, this unrated DVD version includes specially created featurettes about the making of the film as well as the phenomenon its release created in America.

If you don't already know, *Emmanuelle* tells the story of a young diplomat's wife (Sylvia Kristel) who arrives in Bangkok to visit her husband. She is immediately pressured by her new entourage to show a more liberal attitude towards sex. Her husband is enthusiastic about this, so she uses this opportunity to pursue extramarital affairs, starting with a lesbian relationship with Bee, an archaeologist. When that leads nowhere, *Emmanuelle* is placed in the care of sex guru Mario, who takes it upon himself to explain to her the meaning of eroticism... and the rest is erotic cinema history. "I'm not easy. The politically correct term is 'Come and Get It!'"

After his wife's physical exam, Mr. Smith went to the doctor's office to collect his wife's test results. The doctor said to him, "I'm sorry, sir, but there has been a bit of a mix-up and we have a problem. When we sent the samples from your wife to the lab, the samples from another Mrs. Smith were sent also, and we are now uncertain which one is your wife's.

Frankly, it's either bad news or terrible news."

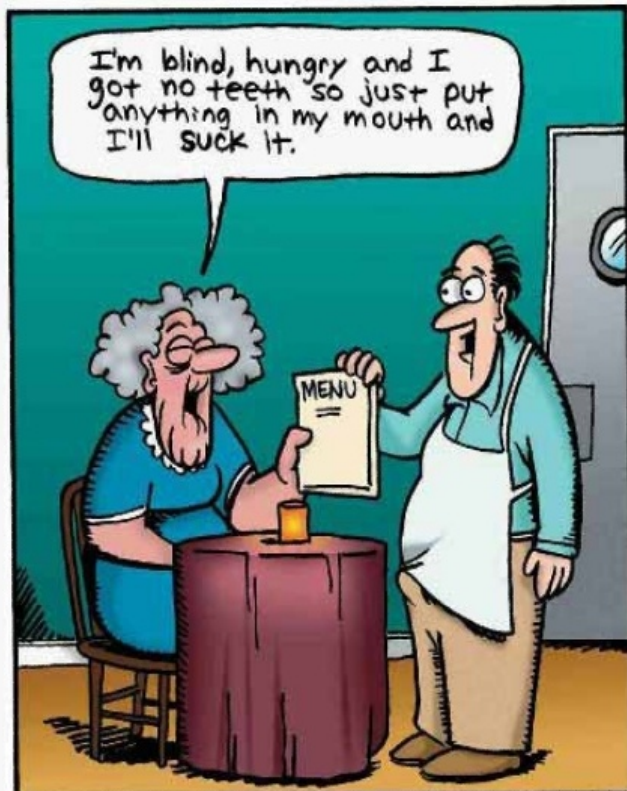

"What do you mean?" said Mr. Smith.

"Well, one Mrs. Smith tested positive for Alzheimers and the other Mrs. Smith tested positive for AIDS, and we can't tell which is your wife's test."

"That's terrible!"

said Mr. Smith. "What am I supposed to do now?"

"Well, said the doctor, "your insurance company recommends you drop your wife off in the middle of town. If she finds her way home, don't sleep with her."

David found older women to be much more attractive.

SEX HOSPITAL 2

STARRING: EVE, ROXY, MONICA, LOLA, ANGELINA, STEFFI

DIRECTED BY: DENYS DEFRANCESCO

AVAILABLE FROM: SWANK DIGITAL

RUNNING TIME: 145 MINUTES

Mmmm sluts dressed up like nurses going buck fuck-ing wild in a doctor's exam room. Thigh high stockings and little nurses caps perched on their heads, hoo fuck are we in for a good time!

Wasting no time two slutty hot nurses Eve and Roxy, begin with touching each other's titties and deep soul kissing one another. Eve hops up on the exam table as the Nurse Roxy inspects her gash with an expert tongue. Eve rubs her own little titties and moans in appreciation. The nurses are interrupted before they can complete their treatment by a lucky male patient in a hospital gown. The girls take his temperature the old fashioned way, by sucking his cock of course. Roxy bends at the waist and pushes her panties to the side to take his thermometer up her pussy. Eve lays back on the table for more oral attention from her brunette friend. Following a quick pussy to mouth, it's Eve's turn with a cock in her snizz. Roxy is butt fucked as she eats out her white stocking clad pal. Eve sucks the butt cream from the guy's prick before pushing the swollen member back up Roxy's pooper. A dual facial caps the action.

Monica is a pretty blonde nurse with killer legs framed in lace top thigh highs. After a cursory cock exam Monica jerks and sucks her patient off. Once he's fully hard she spreads her legs wide to give him a taste of her cunt. Keeping her white panties on he bangs her on the exam table as she rubs her clit and looks into his eyes. Monica has him work his dick up her asshole and it's a tight fit. After some ass to mouth and tit play it's back to the table for some well shot cowgirl anal. Monica jerks him off into a graduated cylinder and devours the contents.

Lola is a hot doctor with a lucky black dude for a patient. These two have a ton of chemistry and really smoke up the scene. His thick cock gives her twat a decent workout and no hole is spared.

Two doctors hang out in the exam room waiting for the sexy Angelina to arrive. Falling back onto their training the docs use their cocks to adequately gauge the health of their horny little patient. Lots of cock sucking and pussy munching ensue with Lola getting as an ass full of cock for her troubles.

Steffi has a giant tattoo that covers her leg. The blonde cum junkie actually reminded me of a nurse I once had so cranking one out to her was a lot of fun. I think you'll agree! Her mouth pussy and ass are run over by a thick cocked dude and eh brings the film to a close with a fat cumshot on her loose pussy. Fun flick with great costumes and super hot and horny girls, more like this please! —Ron Days

LADY SCARFACE

STARRING: CARMEN LUVANA, AVA ROSE, TOMMY GUNN, MIKAYLA, BEN ENGLISH, ICE LAFOX, ANGEL CASSIDY, EMILIANA, SHYLA STYLEZ

DIRECTED BY: DANIEL DAKOTA

AVAILABLE FROM: ADAM & EVE PICTURES

RUNNING TIME: 197 MINUTES

It's pretty much a no brainer that Adam & Eve's latest feature is a sexed up homage to the Al Pacino classic "Scarface." Adam & Eve superstar Carmen Luvana takes on the Pacino role as the up and coming drug lord Toni Luvana. The story (yes, there's a story) follows the rise and fall and a hell of a lot fucking of Toni and her crew. Clocking in at over three hours this feature offers a lot of bang for your buck.

The movie pretty much follows the plot line of the original and opens with the police interviewing Toni; who is trying to get into the country. The officer in charge wants to make sure she's not a drug mule so he strip and searches Toni and uses his probe to check her out thoroughly. If she were carrying anything contraband he would have found it.

Working in a car wash Toni meets Angel (Adam & Eve contract star Ava Rose). After a hot and soapy scene the two become partners. And of course any well run car wash comes stocked with a mattress and a strap on!

As Toni and Angel work their way up they are introduced to the boss Tommy (Tommy Gunn) who does an amazing job of laying the pipe to super hot brunette Mikayla.

Things are going great for Toni until she catches Tommy giving it to her girl Angel and she takes him out. That's when her Columbian partners decide it's time for her to take Toni out. If you've seen "Scarface" you know where thing go from there. "Say hello to my new friend!"

This is a very hot flick, with a large cast who know how to fuck and lots and lots of sex. The chicks are hot and the guys give it to them good. The best part about this DVD is the guys actually munch on the rug. I was amazed! I never see guys licking the pussy in films any more! Thank you Director Daniel Dakota for putting pussy lickin' back in porn!

The second DVD in the set gives you all the regular extras like outtakes, trailers and photo libraries, but they also thrown in a couple of bonus sex scenes. Run out to your local Adult DVD store or head to Adam & Eve website to pick this one up right away. —Chubby O'Dell

REIGN OF TERA 2

STARRING: TERA PATRICK, CHARMANE STAR, NAUTICA THORN, ROXY JEZEL, KAIYA LYNN, NYOMI MARCELA, LUCY THAI
DIRECTED BY: SPYDER JONEZ
AVAILABLE FROM: VIVID
RUNNING TIME: 2 DISC SET

Ahh! Asian whores. Always a strong way to start a porno... about an Asian whorehouse! Our first geisha is overly moany but makes up for it with her oral skills and tight little body. She takes what can only be described as an angry banging from the tattooed bouncer from a local bar. He gives it to the Asian-made Roxy in a spread eagle doggie style and smacks her ass around some cause, why not? It's Roxy! She joyfully hops on and off his cock taking turns filling and then tasting her own pussy before catching a mouthful of jizz.

Tera and Charmane bust out the lesbian debut in the movie and quickly revert to an 18" double-ended dildo. I assume that this can only progress to something very good and I'm dead-on balls right. Charmane has such a perfect ass you almost blow a load looking at it. Listening to them get each other off by simultaneously fucking both ends of this rod is too kabuki theater for one night.

Tera gives us a treat in the next scene: a reminder that she does still dig a real dick. She proves it by taking two at once. First orally, working both at once like a champ, and getting spitty with it. Her super-slimy oral and hand work really gets your loins racing. She then starts to get a little by switching to the "wobbly H" while getting Tommy Gunn's piece buried deep in her cooch cavern and blowing bachelor #2. After coming once or twice, she hops on top for some rodeo while keeping an extra dick in her chops until she gets hosed down by all parties.

Not two minutes after showering Tera with baby batter, the two studs are getting their nut on again, only this time, they each get their own chick. Lucy & Nautica proceed to take care of my new heroes. Lucy may not deep throat, but many can she work the head! She shows excellent ridesmanship in reverse cowgirl as well, while Nautica takes a pussy pounding from Scott Nails in numerous positions. Lucy takes a rest as Nautica handles both pricks, but comes back just in time for what can best be described as 69 couples doggie style. Finally, Nautica gets doused with some Elmer's from her man to end the scene.

Kaiya and Nyomi are brought in to distract some detectives from their job at hand (did I mention that there's a plot and that the two dicks in the last scene would up dead?). Each hummer in this movie is frothier than the last. A true pleasure for BJ fans, for sure. But it has a little something for the anal fans, too! Whatever these dick hungry whores do, they're loving every stroke of it. ATM, cum swapping, anal. Brilliant! This movie has it all. Buy it! -Lyle Kennedy

JACK'S POV 6

STARRING: AUDREY BITONI, KYMBERLY FRANKLIN, REGAN REESE, SHAY JORDAN, SHY LOVE, CHRIS CHARMING, MARCO BANDERAS, AND SCOTT NAILS
DIRECTED BY: ROBBY D
AVAILABLE FROM: DIGITAL PLAYGROUND
RUNNING TIME: 116 MINUTES

Yet another chapter in the Jack's POV series, and it feels like he's just getting better at filming the point of view scenes. There's no anal here, so that's not a positive for fans expecting to see their favorite porn sluts get butt blasted. Otherwise it's a solid flick with gorgeous girls getting screwed.

Kimberly Franklin wears some fetish gear as she shows off her extra big fake tits. Scott Nails is the happy hard-on for this encounter. Kimberly slobbers over his tool until she's sufficiently excited enough to lay back and get fucked by Scott. Rolling over Kimberly's lovely ass is on display during a wicked doggie style bang. The camera follows all the position changes seamlessly as Kimberly dutifully cleans off his cock between each change. Using her store bought tits to her advantage Kimberly wraps them around his cock and jerks him off for a bit. After popping I her mouth Scott fucks her chest some more.

Shy Love is up next and Marco is her cock de jour. Shy Love is one of those smoldering beauties who look real hot with clothes on. Braving her oversized choppers Marco throat fucks Shy's mouth as she delivers some of the hottest "fuck me" eyes in the industry. Shy is a master at what she does so just enjoy this wicked hot scene. There is great chemistry between the two, by the way.

Audrey has a sexy opening segment before she drops to her knees and sucks some dick. This girl is awesome and goes pussy to mouth so much you might think she's a closet lesbian due to her love of pussy. Audrey's tummy gets sprayed after a lengthy screw.

Regan is sporting some serious attitude to go along with her piercings and heavy ink. Following a fun setup the sex gets hot very quickly. Regan has a hot body that is unfortunately covered in bad tattoos and strange piercings. Regan's tight belly is painted white from the semen shower she receives.

Rounding things out we have sexy Asian Shay Jordan going cock crazy. Shay puts on an incredible tease that is all compact sexual energy bursting at the seams. Scott Nails brings this horny hot chick to a bunch of orgasms that she confesses to a scene's end. If you can't get off to this scene, see a doctor immediately; you are probably dead.

BLOW IT OUT YOUR ASS

STARRING: HARMONY, JAMIE ELLE, NAOMI, REBECCA LINARES, SOPHIE DEE

DIRECTED BY: WILLIAM H.

AVAILABLE FROM: ELEGANT ANGEL

RUNNING TIME: 160 MINUTES

Okay so who DOESN'T want to see ultra hot porn chicks getting a half gallon of milk poured into her mighty rectum? Didn't think so. Now how about taking that calcium infusion and using all of her self control and muscle ability to fire said milk as far as she can across a room? Of course these chicks can do it! They're professionals for criminey's sake!

First up in the milk shooting department is the stunning Rebecca Linares. Rebecca may just be the perfect porn slut. She is a perfect physical specimen, does rank nasty things with her various orifices and barely speaks a word of English. Need I say anymore? Things start off fast and get faster as Rebecca chugs on John Strong's cock in a messy blowjob. After some hard vaginal pounding he moves to her asshole for some more pumping. Rebecca works her tail off and takes his load up her asshole. She pushes it out for the camera and then the real fun starts. John gets her upside down and pours the contents of a plastic milk bottle up her shitter. Rebecca fires the milk out in a few magnificent streams.

Big titted Harmony gets the milk treatment from the get-go. After showing off her body she takes a bottle of milk and pours it up her asshole. Harmony then shoots it out in a magical fountain display. There is some spirited pussy and ass fucking, but the real action is between her ass-cheeks. Getting an ass full of cum, Harmony squats and farts it out only to turn around a lap it off the floor! Fucking A! Harmony does her fountain trick with milk again before we fade out.

Sophie Dee has been popping up a lot lately. Shaking her ample ass for the camera is a great way to capture our attention. Sophie skips the preliminary milk action in favor of solid pussy pounding. Nice gaping anus shots from Sophie and she farts out the cum without licking it up. John uses some strawberry milk to fill her rectum and she manages to spray some out before it all leaks out of her ass.

I haven't seen anything like this in awhile so it was kind fo refreshing just to catch something different. Check it out! —Lou Mayer

BELLADONNA'S BUTTHOLE WHORES

STARRING: AURORA JOLIE, BELLADONNA, HARLEY, HILLARY SCOTT, LEXI LOVE, MARIE LUV, MARK WOOD, SASCHA, SATIVA ROSE, TEE REEL

DIRECTED BY: BELLADONNA

AVAILABLE FROM: EVIL ANGEL

RUNNING TIME: 120 MINUTES

Can porn get any better than this flick? I seriously doubt it. From the lava hot cast to the fierce pounding anal this is a tour de force of adult entertainment! Get comfortable, dim the lights, and turn off the phones...it's time to crank your meat.

Superstar Belladonna cements her porn legend status with another killer feature for Evil Angel. Kicking open the movie with a tight girl on girl romp with the very sexy Lexi Love is a perfect way to start. Tons of lip locking soul kisses slowly turn up the heat as Bella and Lexi smolder on screen. Fans of ass will DIG this coupling, Bella LOVES Lexi's ass just as much as we do. When Mark Wood finally pops into the scene it's almost anti-climatic (pun intended). Bella is ass fucked first and Lexi does the cock-cleaning honors with her endless throat. Lexi's perfect ass is deep dicked and it is incredible! There's more ass worship as tongues and more disappear up and deep inside the rosy puckers. Mark pops his nut all over LEXi's asshole and Bella hungrily eats it all up. Fucking A!

Bella follows up the blistering scene with an equally hot solo anal session. It's a nice transition from a wicked three-way into this genital melting solo scene. Weird makeup on Bella only heightens the excitement.

Hot chocolate Marie Luv smokes up the set with a brief solo warm up. The petite chocolate cookie gives her all in her scenes

and this is no exception. Her perky rump is so delectable you'll find yourself trying to dive through the TV to grab a piece for yourself. Tee Reel plunges his cock deep in her holes and gets into some hard anal as Marie grinds her ass against his lap. Tasty ass to mouth before Tee jerks off all over her juicy butt-cheeks.

The experience ain't over yet! There's a whole other disc waiting for you! Reigning anal regent Hillary Scott performs some amazing tricks with her asshole. Just wish she and Bella would get together on film! Sascha pumps Hillary deep and long before popping on her asshole. Sativa Rose takes her perfect ass to the breaking point with some hick toys before a guy arrives to give her the flesh stick. Sativa still has a nasty streak and does the as-to-mouth thing a few times before getting her ass crack splooged with goo. DO NOT MISS Aurora Jolie! Putting her last was cruel joke as you'll be spent LONG before you reach her. My advice; enjoy the movie but don't start watching Aurora's scene until you can really commit to it. Trust me, she is well worth the wait.

Another major feature title for Belladonna behind the camera! Keep up the great anal work and we'll be here with our pants down. —Hal Filth

WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team, PRO+PLUS PILLS is a powerful natural herbal enlargement formula that increases size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Mangan tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

WHICH FORMULA IS BEST FOR YOU? PRO+PLUS PILLS ADVANCED FORMULA

These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.
